

Evo-Junior Recyclable Cord

This versatile, lightweight yet durable carpet is our best selling product for the marquee industry. Available in 27 standard colours. The product comes in rolls of 50m x 4m wide.

Other colours from our Evo-Rib range are also available occasionally - contact our sales office for details.

Evo-Junior is made from 100% polypropylene fibres and is fully recyclable through Reeds Carpets recycling plant in Coventry. Contact our sales office for further details.
